The LESS Crime Act Law Enforcement Strategic Support Act O.C.G.A. - 48-7-29.25

In 2023, new legislation was enacted to allow Georgia taxpayers to claim tax credit for supporting local public safety efforts by contributing to qualified law enforcement foundations. All funds will be used to directly support the Cherokee Sheriff's Office employees and critical public safety initiatives.

This program is currently open for enrollment for the 2025 tax year.

2025 Tax Credit Limits - LESS Crime Act allows the following tax credits of annual state income tax liability:

- Single individual or head of household: \$5,000
- Married couple filing jointly: \$10,000
- Limited Liability Company (LLC), or shareholder of a Subchapter (S) corporation or partner in a partnership: \$10,000
- Corporations: up to 75% of their state income tax liability

Please note: Once the statewide \$100 million cap is reached, the tax credit donation opportunity will close. Pledge your donation to the Cherokee Sheriff's Foundation now to help maximize the \$5 million benefit per agency.
